OCTOBER 2, 2017

Dear Networking for Healthcare Members,

I am very excited to roll out **two** special offers for 2018 to all who've supported my dream in creating Networking for Healthcare(NFH). You've attended the Mix and Mingle events and shared our group with your colleagues. Much of the success so far comes from your support, trust and collaborative spirit in building relationships within the medical/healthcare field.

First off, membership to Networking for Healthcare will be available starting on January 1, 2018. An annual membership of \$97 per person will provide you continued free admission to all 6 Mix and Mingle 2018 events as well as discounted fees as a vendor at the HealthNow 2018 event. I'm in the process of adding more membership items, that many of you helped in suggesting. I plan to give a full announcement by end of the year, and I'm open to all feedback on what you'd like to see for membership.

My most exciting offering is a Medical/Healthcare vendor event planned for Saturday March 3rd in Scottsdale that will be FREE to the public to attend. This will be your opportunity to purchase a vendor table (at discount as a NFH member) to display information about the medical/healthcare services you provide. The event will have both an exhibit area as well as (2) breakout rooms set up for educational talks. There will be lots of opportunity to connect directly to the public who could be your potential next patient! The following vendor packages are available:

VENDOR TABLE -

- 5-6 foot table provided with 2 chairs located in main exhibit ballroom.
- Electricity and Wi-Fi will be available if needed.
- Company will be listed in program given to all attendees.
- Company logo will be displayed on electronic display screens for added brand promotion.
- COST: \$200 (only 15 tables available)

SPEAKER SPONSORSHIP -

- All items listed in VENDOR TABLE.
- There will be 2 types of speaking opportunities to choose from:
 1. Educational talk to the public about your medical service or medical/health related topic (30-45 min. to speak)
 2. Educational talk to physicians ONLY. This can be doctor to doctor OR if you offer medical/healthcare service and want to educate physicians and practitioners. (approximately 1-hour talk)

- Both educational talks will be done in their own private breakout room set up in classroom style for 70+ attendees.
- Speaker will have access to adjustable-height speaker/instructor table or a podium, ceiling mounted LCD projector with remote, projection screen and either a hand-held cordless mic or mic attached to your clothing.
- COST \$350 (only 5 speaker sponsorships available)

PREMIER EXHIBITOR –
